

SENIOR ONE
CHAPTER FOUR: WAYS OF STUDYING GEOGRAPHY

ACTIVITY OF INTERGATION

GEOGRAPHY P 273/1

TIME: 1 HOUR

Instructions: study the information

Senior one class of Ocer Campion Jesuit carried out a geography study trip to find out how the physical environment influences the sustainable utilization of natural resources in the area of the study. You collected a lot of information using camera, Questionnaires and you observed the different inter-relationship in the field. You found out that man has put to use different parts of area to a number of land

uses. Although the people living in the area of study cannot explain why they have made such decision to locate different land uses where they are.

TASK:

- a) Draw a landscape sketch of the area shown on the photograph showing physical features and land use activities (5 scores)
- b) Explain the likely problems faced by people living in the area shown on the photograph. (05 sores)
- c) Explain the possible solutions to the problems faced by people living in the area shown in the photograph. (5 scores)

END.
