To;

The Head of MATHEMATICS & PHYSICS Departments.

Dear Sir/Madam,

RE: **AN INVITATION FOR MATH & PHYSICS GRAND LEARNERS' SEMINARS**
('O' & 'A' LEVEL INCLUDING SUB.MTC)

The E-Learning Project, in conjunction with **Old Kampala S.S**, humbly invites your school (S2, 3,4,5,6 – Math & Physics Learners) for;

- **MATH SEMINAR** (S2, 3, 4, 5 & 6) slated for **Sun.23rd.June.2024.** 7:30am - 5:30pm.
 - **PHYSICS SEMINAR** (S2, 3, 4, 5 & 6) slated for **Sun.7th.July.2024.** 7:30am – 5:30pm.
- Venue is OLD KAMPALA S.S**

The seminars are intended to address the following;

- Developing the Learners' ability to interpret Scenario Based Items as a major requirement for the New Competence Based Curriculum for 'O' Level as well as knowledge based curriculum for 'A' Level.
- Guidelines on Practical skills for CBC at 'O' Level & excelling at 'A' Level P510/3
- Reflection on the proper scoring of candidates in each set item per mentioned subject.

The Learners will be equipped by experienced teachers whose tested methods have yielded viable results; hence enabling them excel in the 2024 UNEB Exams & day to day life situations.

Each student shall kindly be asked for a contribution of **sh.12,000**, and Packed Lunch.

Students will receive Question Papers & Entrance Cards. Each Learner will also receive a Password which will be used after the seminar to watch Seminar Video Solutions as well as videos of other subjects from our online website <https://shule.tv>.

Printed Solution Booklets will also be available for those interested, at sh.2,000 each.

Teachers accompanying students shall be catered for with **FACILITATION PER LEARNER BROUGHT**, which will be used as Lunch, Transport etc

However, you are required to use the contacts above to confirm your attendance not later than **15th.May.2024** through **PURCHASE OF ENTRANCE CARDS**.

Your co-operation shall be paramount.

Yours in service,

OBONYO KENNETH
