

LITERATURE (310/1)

PROSE AND POETRY

A STRATEGIC APPROACH

Everything you invent is true: You can be sure of that. Poetry is a subject as precise as geometry. —Julian Barnes

2024 Edition

Wabwire Ronald is a passionate Kyambogo University graduate teacher of English Language and Literature. He has also taught General Paper all the time of his career. He is a writer of short stories, poems, essays and an unpublished novel; *Ready for Nothing*.

Functional and Creative writing, Analysis of A' level literature paper 3 are his

academic books on coming soon.

He is also an online teacher and academic researcher whose academic content you can access on his websites by google searching **YEDS Secure learning** or following his link: https://edutakeonlineschools.com/secure_learning/

About the book

This book is a precise presentation of practical practices to prose and poetry. The emphasis is put on the elementary aspects of the paper, examples of poems and references to relevant anthologies.

The book is not only an *invaluable guide* but also a research resource for teachers and learners of Literature paper one. It covers a very wide range of content that will support teachers deliver excellent and uninterrupted lessons.

Above all, it also guides learners on their specific research tasks. They have an uphill task to write the best answers possible. However, in most cases they lack the right references. This workbook solves the problem for S. 5 and S. 6 learners since all aspects here are well sourced and researched in addition to clear references in cases of more research needed.
