

Item 4

Rivers play a vital role in the environment where they are found. The local communities enjoy this mode of transport, rivers facilitate trade and offer recreational opportunities. In some periods of the year, the local leaders encourage the communities to keep away from the river as they turn out to be dangerous. The people in the surrounding communities are reluctant and some have lost their lives and property. The leaders have organized a meeting to address the above matter.

Support material.

Task

Make a write-up of not less than 250 words to address people in the surrounding communities.

PART II

Attempt one item from this part

Item 5.

In the different cities of the East African countries, population size has doubled in the recent years due to increased job opportunities, better social services and others. The city planners are worried of this increase and have organized a meeting with the city authorities to address the challenges before it is too late. You have been invited to that meeting to address the leaders.

from him have organized a sensitization meeting where you are expected to attend.
