To all the Affected Staff

RE: DELAY IN SALARY PAYMENT FOR UNMIGRATED STAFF

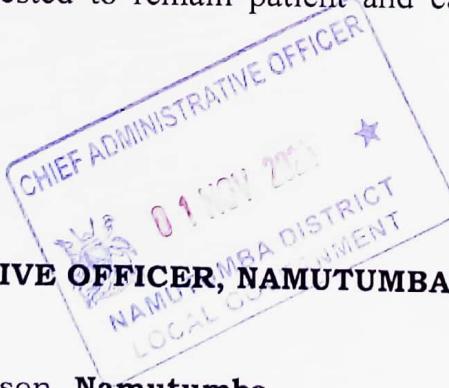

This serves to inform all the under listed staff that due to the fact that their records were not successfully migrated to HCM (Human Capital Management), they couldn't be paid their October salary with the rest on HCM. However, management is working hand in hand with Ministry of Public Service to process your salaries through IPPS as issues affecting your migration to HCM are being sorted out.

You are therefore requested to remain patient and calm as this matter is being handled.
